Commissioner for Patents

The IDS filed on 23 March 2009 has been accepted, entered, and considered. The instant IDS is a duplicate of the IDS filed on 02 February 2009. The previously filed IDS contained an error in the wording of the statement in 37 CFR 1.97(e)(2). The examiner has determined that the previously filed IDS was a bona fide effort for a correct submission of an IDS prior to the payment of the Issue Fee. As such, the examiner has considered the instant IDS, with the correct statement in 37 CFR 1.97(e)(2), despite its filing after the Issue Fee.
